

Image Reconstruction from Neuromorphic Event Cameras using Laplacian- Prediction and Poisson Integration with Spiking and Artificial Neural Networks

Hadar Cohen Duwek

Albert Shalumov

Elishai Ezra Tsur

CVPR 2021 Workshop on Event-based Vision

Neuromorphic Event Camera

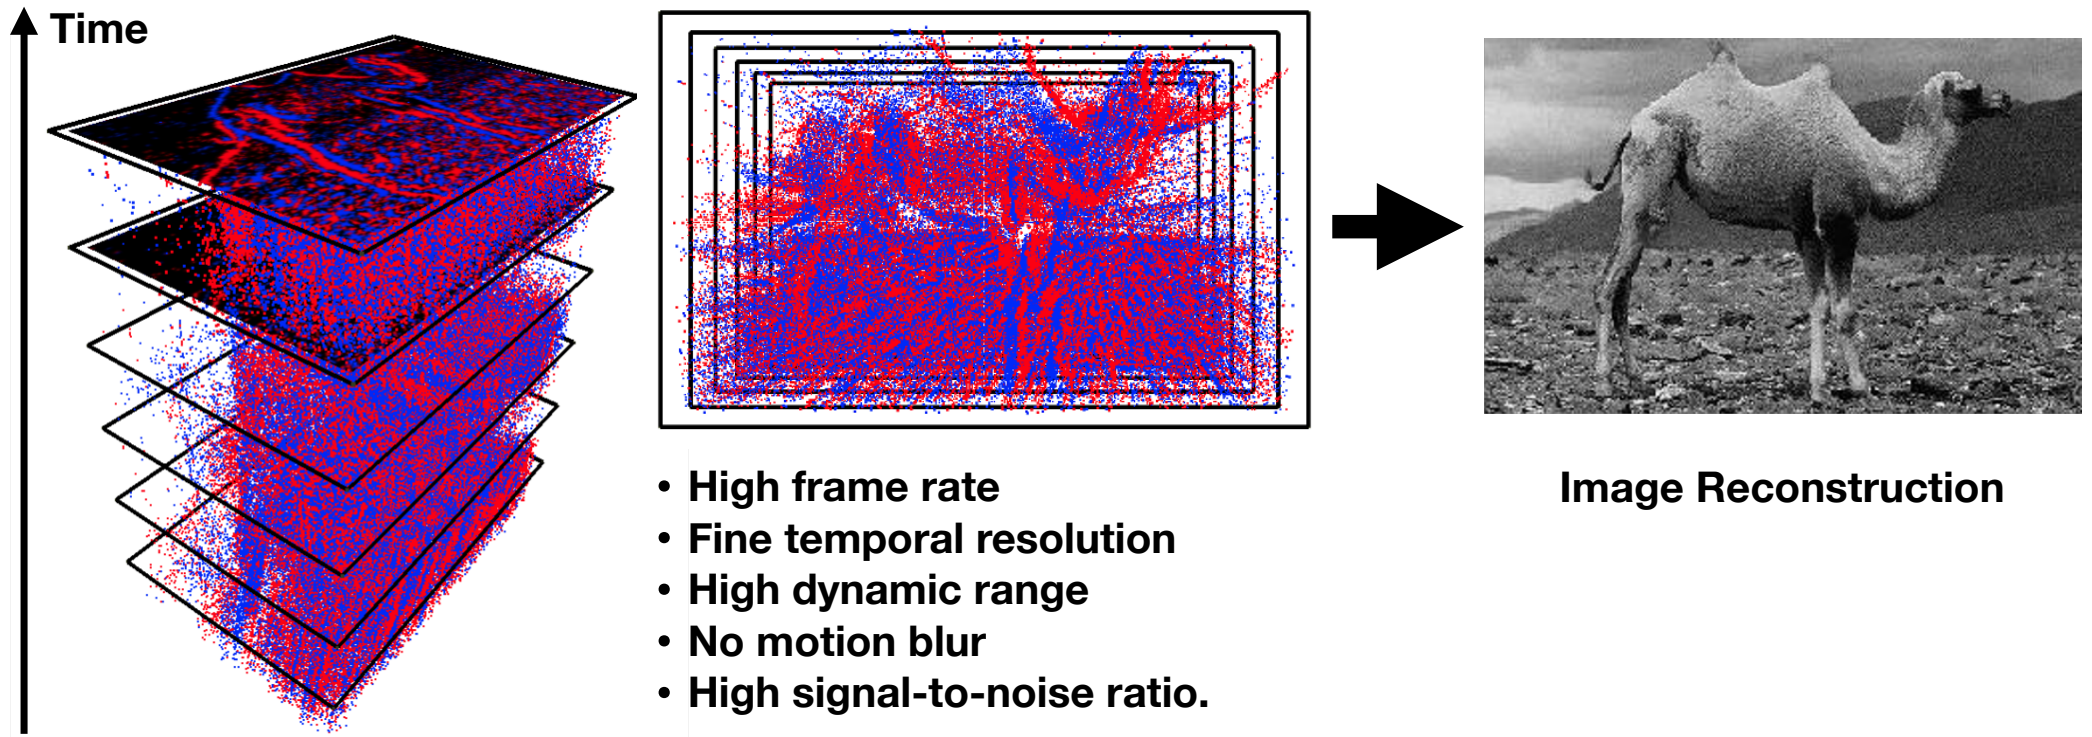

Image Reconstruction

- Large parameter space
- Non-spiking

Convolutional
Neural Network

Image Reconstruction

Convolutional
Neural Network

Laplacian's
Prediction

Image Reconstruction

- Small parameter space
- Spiking

Laplacian's
Prediction

Image Reconstruction

- Small parameter space
